

## **Acknowledgements**

The Minnesota River Valley Scenic Byway Alliance wishes to acknowledge and thank the many individuals and organizations that made the preparation of this corridor management plan possible. The following list indicates the individuals who most steadily guided this project, although we allow that we may have erred by not naming people who supported us in very important ways. To those omitted we apologize and extend our thanks. To all those involved, we look forward to working together to make this plan a reality.

Mark Anderson - MN Department of Transportation  
Beth Anderson - Redwood Falls Area Chamber and Tourism  
Terri Dinesen - MN Department of Natural Resources, Upper Sioux Agency State Park
